

135 Palmyra Drive Mountain Village, CO | \$7,450,000

Nestled in an aspen grove at the end of a private cul-de-sac, the Bridge House offers the solitude and serenity of a contemporary mountain fortress of steel, stone and glass. Connected by several graceful bridges, experience views and natural light through floor to ceiling windows and breathtaking outdoor spaces. Rugged mountain skylines and towering aspens integrate impressive features with impeccable design. This home was built to balance a blend of natural perspective with distinguished finishes and true architectural ingenuity.
